

I am writing to provide a report on the successful conduct of the Guest Lecture delivered by Dr. P.L. Srinivasa Murthy, Professor in the Department of Mechanical Engineering at BNM Institute Of Technology, Bangalore.

Event Details:

- Resource Person: Dr. P.L. Srinivasa Murthy
- Designation: Professor, Department of Mechanical Engineering
- Institution: BNM Institute Of Technology, Bangalore
- Email: srinivasamurthy@bnmit.in
- Date: Tuesday, 5th March 2024
- Time: 09:30 AM
- Venue: Mechanical Engineering Department, Sri Sairam College of Engineering, Anekal, Bangalore
- Subject: 21ME51 - Theory of Machine

The guest lecture on "Velocity and Acceleration Analysis of Mechanisms (Analytical Method) and Static Force" for the course 21ME51 - Theory of Machine was conducted as scheduled. Dr. Srinivasa Murthy delivered an engaging and informative lecture that captivated the audience comprising iii year students and faculty members.

Dr. Srinivasa Murthy's presentation covered a wide range of topics related to velocity and acceleration analysis of mechanisms, focusing on analytical methods and static force. He effectively communicated complex concepts in a simplified manner, ensuring that students could grasp the fundamentals of the subject matter.

The lecture was interactive, allowing students to ask questions and seek clarification on various aspects of the topic. Dr. Srinivasa Murthy's depth of knowledge and expertise in the field was evident throughout the session, and his practical examples further enriched the learning experience for the attendees.

The event concluded with a vote of thanks extended to Dr. Srinivasa Murthy for his invaluable contribution to the academic discourse at our institution. Feedback from both students and faculty members indicated high satisfaction with the content and delivery of the lecture.

In conclusion, the guest lecture was a resounding success, providing students with valuable insights into the subject of Theory of Machine. We are grateful to Dr. Srinivasa Murthy for his time, expertise, and dedication to advancing the educational goals of Sri Sairam College of Engineering.

Thank you for your support in facilitating this enriching academic experience.
