REPORT ON INTERNATIONAL WEBINAR ON ENTREPRENEURSHIP

Date: 06/03/2024

Department of Electronics & Communication Engineering, Sri Sairam College of Engineering, Anekal, Bangalore has organized an International Webinar entitled on “**Early Stage Entrepreneurs: Challenges and Opportunities**” under the banner of IEEE Students’ chapter in association with Entrepreneurship Development Cell for pre-final year students on 1st of March, 2024. Ms. Sowmya Thyagarajan, Founder and CEO, Foviatech (GmbH), Hamburg, Germany has been invited as chief guest to address the students on the proposed topic of the webinar.

The webinar was Inaugurated through a welcome speech by Dr. A. Poonguzhali, Head of the department of ECE. Our beloved principal, Dr.B. Shadaksharappa, Sri Sairam College of Engineering conveyed the best wishes for organizing such webinars and motivating the students of pre-final years to show their interest in developing their entrepreneurship and leadership skills.

The resource person Ms. Sowmya Thyagarajan. has delivered an inspiring presentation on Entrepreneurship and it was really feeling delighted to have been able to be a part of this and try to continue with the wave approach on society with this positive speech. Around 100+participants joined the session. The important take away of the session was the students learnt how to empower the entrepreneurship skills, how to start the business, trading technologies and how to be updated with the pace of technologies in the field of business. Ms. Sowmya Thyagarajan has added some major insights about funding agencies in and around the world to initiate with start-ups, and some online platforms to find their business partners. She gave insight about how to compete with the competitors and had given exercise for the students to share their entrepreneurship ideas and skills.
