

Report on Award of IEEE India Philanthropy and Quest Global 2023-24

The IEEE WIE Scholarship Applications funded by Quest Global and design & implemented by IEEE India Philanthropy was announced for Girl Students with a family income of less than five lakhs per annum . Students were expected to score more than 60% and with no backlogs .The regions for the scholarship award were in and around Bangalore, Pune and Thiruvananthapuram. Applicants from Mechanical, IT,CSE, ECE and EEE were preferred. The announcement was received in the first week of February which was circulated to all branches.

IEEE India Philanthropy **Quest Global** **IEEE**

2024 Scholarship
 Funded by CSR initiatives of Quest Global for 325 women across three Indian states

Offerings of the WIE Scholarship 2024

- Rs. 50,000 to pay the college fee (tuition and related fees)
- Access to two courses in the IEEE blended learning platform
- 10 - 12 learning and mentoring sessions from industry & academia professionals
- Engagement in philanthropy initiatives of IEEE
- Networking with professionals and placement linkage support

Who can apply?

- Female students pursuing engineering
- Female students with a family annual income of less than five lakhs per annum
- More than 60% percentage/C/equivalent grade with no pending backup papers from the previous semester/year
- Female engineering students from colleges in and nearby Bangalore, Pune Thiruvananthapuram
- All IEEE & non-IEEE female students
- Applicants from Mechanical, Aeronautical, Petroleum, Chemical, CSE, IT, & EEE will be preferred

Apply using this link by February 29, 2024

Note: Please keep all the documents (proof of identity, proof of address, income certificate, proof of scholarship or financial assistance letter if already received, clearance certificate from school about the student's academic record & need for scholarship or financial assistance, Aadhar, PAN) ready before you fill the application. Ensure that all the data filled in accurate form can be verified. Only complete applications will be accepted.

We are glad to announce that after screening 324 students, the 34 students of our college got shortlisted for first round and with the second round of screening 4 students are selected. The scholarship amount of Rs. 50,000/- per student has been deposited to college account . We have received Rs. 2,00,000/- as scholarship which should be used towards academic needs or for buying a laptop to support their learning.

UMASHREE M 3RD YEAR AIML 1SB21AI058

HARINI R 3RD YEAR EEE 1SB21EE029

MONICA S 2ND YEAR ISE 1SB22IS031

H THEJASWINI 2ND YEAR EEE 1SB22EE010

The selection of the student beneficiaries is based on their merit, economic background and their enthusiasm to participate in IEEE philonthropy activities. The additional benefits are internship and

placement assistance in the coming days. Students are expected to complete designated 2 courses by IEEE and should participate in the value added activities in the coming days.

We thank the IEEE Philanthropy, Quest Global , Management and Principal for giving this opportunity to participate in this scholarship event .

We congratulate and wish the student for being qualified for this scholarship.

Thanking You,

Sincerely,

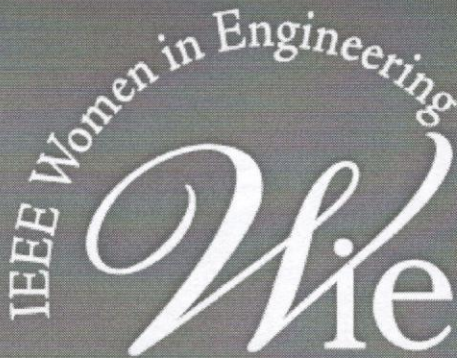

Mal - K.V.

Head - C.A.R & EDC
