## REPORT ON THE 28<sup>th</sup> INDUCTION DAY

20/09/2024

Sri Sairam College of Engineering organised its 28<sup>th</sup> Induction Day on the 19<sup>th</sup> of September, 2024 in honour of the first-year students who will be embarking on a new journey of education, growth and innovation.

To enhance the glory of the event we had amongst us the Principal of RV College of Engineering, Dr. KN Subramanya, as the Chief Guest of the Day. The day was further enlightened with the presence of the Guest of Honour, the Director of IP, Intel India, Dr. SK Murthy. The auspicious occasion was initiated with a tribute to the state of Karnataka through the state anthem. To illuminate the day, the dignitaries lighted the lamp and adorned the dais. The program was further glorified through the marvellous inaugural dance performed by Prema M, 2<sup>nd</sup> Year, ECE Dept.

Honourable Principal Dr. B Shadaksharappa presented the Welcome Address before all. He warmly greeted all the dignitaries, invitees, parents, faculty and students and expressed his joy stating that the college is celebrating its 28th year of excellence. Sir unfurled insightful information about the college and its respective departments, he further spoke about the motto, vision & mission of the college.

The Chief Operating Officer of Sairam Group of Institutions, Dr. Arun Kumar R, proposed the presidential address before the audience. He spoke about the institution and its ascending rank amongst the top colleges both at state level and national level. He highlighted the fact that Sri Sairam College of Engineering is the centre of excellence that offers technical education along with research opportunities of very high standards to students. Having erudite visionary, he spoke about the Sustainable Development Goals being knitted to our daily lives. His words motivated the students towards achieving their goals with innovation and enthusiasm.

Following this, Head Department of Science & Humanities, Dr. Harikrishna S came forward to announce the student achievers who have shown excellence in academia through their exemplary performances. Furthermore, student achievers of Yukthi Innovation Challenge were rewarded for their excellence in securing a grant of 5lakhs for their project Matsya.

Following this Prof, Adisha Manna, Dept of Science & Humanities introduced the Chief Guest and Guest of Honour and requested dignitaries to felicitate the guests for the day. The guests were then summoned on stage to address the gathering with their insightful words.

The chief guest, Dr. K N Subramanya, delivered a compelling and inspiring speech during the Induction Day ceremony, emphasizing the significance of this milestone in the academic and professional journey of the students. The speech highlighted the importance of embracing new challenges and the transformative power of education in shaping not only careers but also character. The chief guest urged the incoming students to approach their studies with curiosity, resilience, and dedication, reminding them that the path ahead would require effort, but the rewards would be worth it. The speaker also touched on the values of leadership, integrity, and collaboration, encouraging the

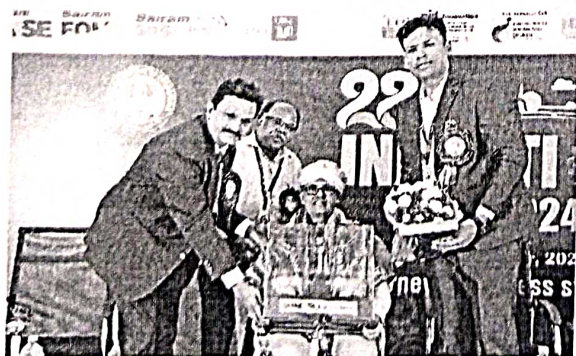

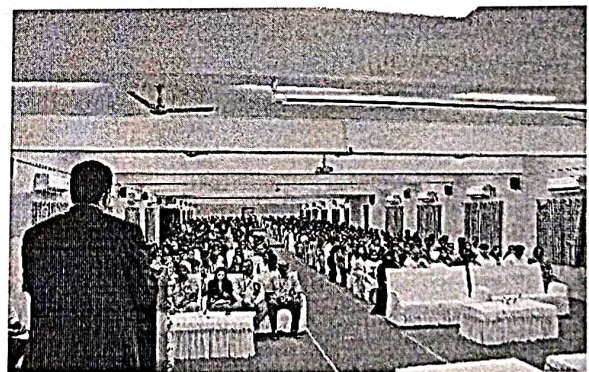

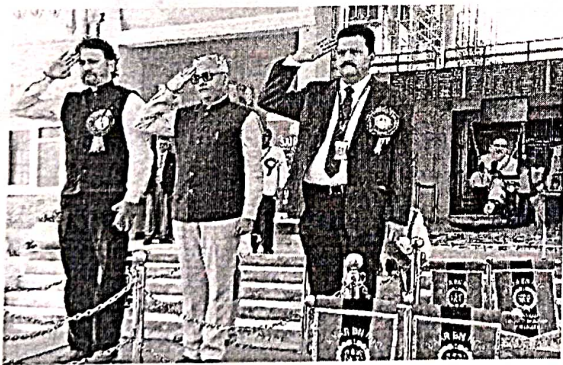

students to foster a spirit of teamwork and support for one another throughout their academic journey. Drawing on personal experiences, the guest shared insights on overcoming obstacles, adapting to change, and maintaining a growth mindset, all of which are essential qualities in both academic and professional environments. Furthermore, the guest expressed confidence in the potential of the students, reassuring them that with the right attitude and perseverance, they would not only succeed but also make meaningful contributions to society. The speech concluded with a call to action, motivating the students to make the most of the opportunities presented to them and to approach this new phase of their lives with enthusiasm and determination.

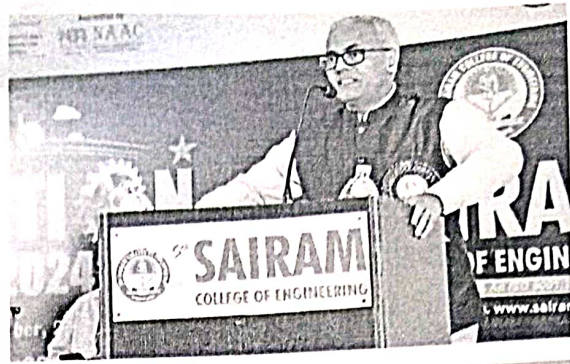

The Guest of Honour, Dr. S K Murthy, gave insights on placement preparation activities and advised students to be thorough with the basic knowledge of all key subjects and to develop the ability to present these before groups which can make a big difference in their workplace. He spoke about the role played by education in the path of excellence and his speech energised the students with much positivity for their upcoming academic journey. He spoke about the importance of upskilling and updating knowledge on a regular basis. He also spoke about the effectivity of the placement cell in identifying the current industry talent requirements and accordingly enhancing the skills of the students. He also encouraged the students to delve deep into innovation and develop new projects and models alongside their course of study.

Vote of thanks was proposed by the Head of Corporate Academia Relationships, Prof. Malini KV. She expressed her immense gratitude to the chief guest & Guest of Honour for contributing their valuable time, in spite of their busy schedule. She heartily thanked all the dignitaries for their presence and insightful words that encouraged the newly joined students. She further thanked the faculties and students who have contributed towards making this program a grand success.

The programme was executed in the presence of our Honourable Principal – Dr. B. Shadaksharappa, Chief Operating Officer– Dr. R Arun Kumar, Trustee - Sri. K Patel, & Chief Accounts Manager - Sri. Gajendra.

The curtains were drawn for the day with the National Anthem.
