

REPORT ON 24th GRADUATION DAY

24/09/2024

Sri Sairam College of Engineering held its 24th Graduation Day on the 21st of September, 2024. Graduation Ceremony marks a significant milestone for the students who have trudged ahead the challenging path of academics and emerged successful. To enhance the glory of the event we had amongst us dignified and eminent personalities. To begin with, we invited the Registrar of Visvesvaraya Technological University, Dr. B E Rangaswamy, as our Chief Guest for the Day; and we also had Shri. L Jayrama Naidu, our Guest of Honour who is the Managing Director of GROB Machine TOOLS Pvt Ltd. The day was further enlightened with the presence of our honourable Principal, Dr. B Shadaksharappa; Chief Operating Officer, Dr. Arun Kumar R; Trustee, Sri. K Patel & Chief Accountant, Shri Gajendra K. The auspicious occasion was initiated with the zestful state song, Naada Geethe. To illuminate the day, the dignitaries lighted the lamp and adorned the dais. The Programme was hosted by Prof. Adisha Manna, Assistant Professor, Dept. of Science & Humanities.

Honourable Principal Sir, Dr. B Shadaksharappa presented the Welcome Address before all. He warmly greeted all the dignitaries, parents, students and expressed his sincere gratitude to all for their valuable presence. Sir congratulated the students on the successful completion of their graduation journey. He motivated the students to be responsible citizens of the country because now most of them will be working as professionals. At the same time, they should understand their responsibilities as citizens of the country and carry them out with utmost integrity. Sir further upheld the fact that the passed-out students will be ambassadors of the institution and will work hard to keep its banner high worldwide. His all-encompassing speech gave the students an anchor to successfully sail along the sea of life and career.

After the Welcome Address, Graduation Day was declared open by COO, Dr. Arun Kumar R. Following this, the profiles of the Chief Guest and Guest of Honour were introduced before the audience and the guests were felicitated by Principal and Chief Operating Officer of the college.

Furthermore, Chief Operating Officer, Dr. Arun Kumar R proposed the presidential address before the audience. Sir inspired the graduates by sharing their own journey in engineering and offering advice on navigating professional challenges. He highlighted the growing demand for skilled engineers in the digital age and the responsibility the students now carry as they step into their respective careers. His words of encouragement were both motivational and insightful, leaving a lasting impression on the audience.

The audience were next addressed by the Guest of Honour, Dr. B E Rangaswamy, Registrar of Visvesvaraya Technological University. Sir delivered an immensely inspiring Graduation Address for all the students. Having erudite visionary, he spoke about his rich experience in

the field of academia with special focus on the different branches of education into play in the current times. Sir acknowledged that today's graduates are entering a highly dynamic and technology-driven environment, where fields such as artificial intelligence, robotics, renewable energy, and data science are rapidly transforming industries. However, he reminded that the fundamentals of engineering are critical thinking, creativity, and commitment to lifelong learning. Sir emphasized that Engineering is more than just solving equations and building structures; it is about solving real-world problems, creating solutions that impact society, and driving innovation that shapes the future.

This was followed by felicitation ceremony for the toppers, to announce this Prof. Malini KV, Head Corporate Academia Relationships and Dr. Harikrishna S, Head Dept of Science & Humanities came forward. The students were felicitated by the invited guests and dignitaries. Chief Guest addressed the students and congratulated them on becoming graduates successfully. Then the respective department toppers were felicitated by the Chief Guest, Guest of Honour, Chief Operating Officer, and Principal.

Then Guest of Honour, Shri. L Jayrama Naidu addressed the audience enlightening them with his spectrum of knowledge and experience. He spoke about the innate talents of a human being, and guided the students speaking about the toughest challenges of life and the ways to face them with positivity. He motivated the students speaking about the values of human life like honesty, solidarity, civility, character, morality and the importance of adhering to these values without deviating from them. He encouraged the students to go ahead in their career fearlessly and achieve the best with given resources.

Following this, the Heads of all the Departments came forward to announce the names of their respective department graduands and awarded them with their degrees. The seminar hall reverberated with the gleeful echo of all the students receiving their degrees. It was indeed a proud moment for all.

As young graduates, it becomes a responsibility to transform the nation into a developed country and to take the nation ahead, the students should make a promise. Principal, Dr. B Shadaksharappa, administered the pledge to all the graduands. The students repeated the pledge after Principal. Following this, the graduation ceremony was declared closed by Chief Operating Officer, Dr. Arun Kumar R.

Vote of thanks was proposed by Prof. Malini KV, Head of Corporate Academia. She motivated the students towards building a better future. Ma'am expressed her immense gratitude to the guests for contributing their valuable time, in spite of their busy schedule. She heartily thanked all the dignitaries for their presence and insightful words that encouraged the students. She further thanked the faculties and students who have contributed towards making this program a grand success.

The curtains were drawn for the day with the National Anthem.
