

## REPORT ON FRESHER'S DAY CELEBRATION

05.11.2024

On the 29th of October 2024, Sri Sairam College of Engineering warmly welcomed its new batch of students with an elaborate and spirited Freshers Day celebration. The event was orchestrated by the Department of Science & Humanities, bringing together a blend of enthusiasm, excitement, and camaraderie that marked the beginning of an inspiring academic journey for the newcomers.

The program commenced with the lighting of the ceremonial lamp, symbolizing knowledge and the removal of darkness, followed by an invocation that set a spiritual and uplifting tone for the day. Dr. B. Shadaksharappa, the esteemed Principal of the college, inaugurated the event with an insightful speech that resonated with both students and faculty. He highlighted the importance of embracing new challenges and fostering academic and personal growth. His speech was met with applause as it inspired students to uphold the values and traditions of the college. He also emphasized the seamless support systems in place for students' holistic development. Dr. Arun Kumar R, the Chief Operating Officer, added to the event's significance by emphasizing the institution's commitment to nurturing talent and innovation. He shared motivational stories and insights, encouraging students to strive for excellence in their pursuits.

Convenor, Dr. Harikrishna S, Head Dept of Science & Humanities addressed the gathering with words of wisdom, underscoring the importance of integrity and discipline as key pillars for success. His words reaffirmed the college's dedication to creating an environment conducive to learning and growth. The Heads of Departments (HODs) from various disciplines attended, lending their support and welcoming the freshers with open arms. Their collective presence showcased the unity and cooperative spirit within the college's academic environment.

The event featured a lineup of cultural performances that highlighted the students' diverse talents. Skits, dances, and musical performances kept the audience entertained, fostering a sense of community and belonging among the new students. The senior representatives led the audience through a series of captivating cultural performances, showcasing their

dedication, creativity, and talent. The event featured a mix of dance performances, musical renditions, and drama acts, each performed with energy and enthusiasm that brought smiles to everyone in attendance.

The Freshers Day celebration concluded with a vote of thanks delivered by Dr. Harikrishna S, Head Dept of Science & Humanities. The program succeeded in creating an atmosphere of warmth and excitement, setting the stage for the new students to embark on their educational journey at Sri Sairam College of Engineering with confidence and optimism. The day ended with refreshments and informal interactions, allowing the new students to bond with their peers and faculty, making the event both memorable and meaningful.
