Date - 26.11.2024

SUBMITTED TO THE PRINCIPAL,

Subject - Requesting permission to Postpone - Mech-Tech - 2024 - National Level Symposium - Reg.

Respected Sir,

I am writing this letter to request the postponement of the **Mech-Tech - 2024 National Level Symposium**, originally scheduled for the date **28th & 29th - November - 2024**, as per the approval letter no. **19/SSCE/BLR/NAT- SYM/MECH - 2024**.

Due to a slight delay in receiving final approval letter from the head office, it would be more feasible to reschedule the program to the **9th & 10th - December - 2024**. This adjustment will ensure adequate preparation and seamless execution of the symposium.

Kindly requesting your good self to grant us approval for the updated dates to facilitate the necessary arrangements.

Thank you for your support and cooperation.

Yours sincerely,

Dr. Balaji V

HOD / Mech. Engg.

Report on MechTech - 2024

Department of Mechanical Engineering has celebrated MechTech 2024 on 9th & 10th December 2024 in a grand manner. The formal inauguration was arranged in Sir M.Visvesvaraya AV Hall on 9th Dec at 10.30 AM. The Chief Guest Mr. Vasantha Murthy G., Associate Director, Supplier Engineering Applied Materials and Guest of Honour Mr. Avinash M.G., Territory Manager, TVS Motor, Hosur were present along with The Principal Dr. B. Shadaksharappa, Chief Operating Officer Dr. R. Arun Kumar and Chief Accounts Manager Gajendra sir, in the occasion.

The program started with invocation song and the dignitaries were escorted to the dias for lighting the lamp. Dr. Balaji V, Head of the Department welcomed the gathering.

The Principal in his Presidential address appreciated the coordination of students and staff in making the program a grand success. He also called the students to have integrity always and be humble in both professional and personal life

The Chief Guest while addressing the students stressed to concentrate on 3 Ls, Listening, Learning & Living and to know how to handle the success, once it is achieved.

The Chief Operating Officer in his special address highlighted the innovation and creativity of students and staff in the arrangements. He motivated the students by giving the example of the Guest of Honour who was the alumnus of the institution and now reached the level to share the dias with the other dignitaries

The following students were honoured by the dignitaries, for their achievements

- Best Academic Performance - Mr. Savarinathan, 3rd Semester
- Best Outgoing Student - Keerthana and Vignesh, 7th Semester
- Best Student in Sports - Saumya Sonewane, 7th Semester
- Best student in Innovation - Adarsh & Rakshith, 7th Semester

The Guest of Honour cherished the memories of his student life in the institution and invited the students to develop respect towards the experience gained in the profession

Various Technical Events like Business Modal Canvas, Paper Presentation, Poster Presentation, RC Car Racing, Design Hackathon (Fusion 360) and Non-Technical events like Flameless Cooking, Minute to Win It, Treasure Hunt, Amazing Race and Battle Ground were attracted more students from other departments.

Prof. Rajesh Kumar N. hosted Master of Ceremony. The program ended with national anthem
