Report on LIVAZ'25 – National Level Technical Symposium

The Department of ECE at Sri Sairam College of Engineering, Anekal, Bengaluru, successfully organized the National-level symposium LIVAZ'25 on 23rd April 2025. The event aimed to promote knowledge-sharing, technical excellence, and creative expression among engineering students. The day was filled with vibrant activities including guest lectures, cultural showcases, and challenging technical events that drew participants from esteemed institutions across the country.

Inaugural Ceremony

The program began with an elegant **Bharatanatyam performance by Rakshitha**, a third-year ECE student. Dignitaries lit the ceremonial lamp, symbolizing the beginning of a knowledge-rich day, followed by a melodious invocation by students of ECE.

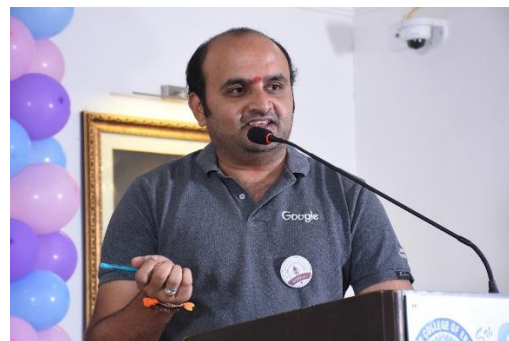

- **Welcome Address: Dr. A. Poonguzhali (HOD, ECE)**
- **Release of Proceedings: Unveiled by dignitaries**
- **Presidential Address: Dr. B. Shadaksharappa** emphasized the importance of innovation in engineering.

The Annual Report of the department was presented by the Livaz Coordinator Dr. Jayakumar S, outlining the achievements and milestones of the past academic year. Dr. Martin Joel Rathnam introduced the first special guest.

Shri Chandra Mohan, who delivered an inspiring address on the evolution of automotive electronics and the role of young engineers in industry advancements.

Guest Addresses

Two distinguished speakers delivered thought-provoking insights:

Closing Reflections

As LIVAZ'25 drew to a close, the atmosphere was one of pride, joy, and inspiration. The event not only showcased technical brilliance but also reflected the collaborative spirit and creativity of young minds. From thought-provoking debates to hands-on technical challenges, every session left an imprint of innovation and learning.

The organizers extend heartfelt gratitude to every individual who contributed to the event's success — from dignitaries and faculty to student volunteers and participants. LIVAZ'25 wasn't just a symposium; it was a celebration of engineering, enthusiasm, and excellence — a day to remember and a legacy to carry forward.
