Sub: Report on **Industrial Visit - Dyashin Technosoft Pvt. Ltd.**

With reference to the above subject, third year students of our department visited **Dyashin Technosoft Pvt. Ltd.** An industrial visit was organized for 60 students accompanied by two faculty member, **Mr.Reji Thomas & Mrs.Yamuna V**, to **Dyashin Technosoft Pvt. Ltd.** on 25th April 2024, the group reached the company premises at **10:45 AM.**

The visit commenced with a warm **welcome address by Mrs. Swathi Harish**, Senior HR of Dyashin Technosoft. She greeted the students and provided an overview of the company's vision and culture. This was followed by a **two-hour session led by Mr. Praveen, the Chief Technology Officer (CTO).** He gave a brief introduction about the company, its work processes, HR practices and internship opportunities. He also shared valuable insights on how students should approach and execute projects, emphasizing industry expectations and standards.

Students then participated in an **industry walkthrough**, offering them a **glimpse into the real-world tech environment** and allowing them to observe how professionals work on live projects.

An interactive session was conducted with the employees of Dyashin Technosoft, providing students with a valuable opportunity to gain practical insights into the IT industry. During the session, students engaged in meaningful discussions about the company's work culture, the tools and technologies employed in their daily operations, and received career guidance from experienced professionals.

The employees shared their real-world experiences, offered advice, and responded enthusiastically to student queries, making the session both informative and inspiring. A key highlight of the discussion was Dyashin Technosoft's use of the **Agile development model**, which allowed students to understand how modern software development practices are implemented in a professional environment.

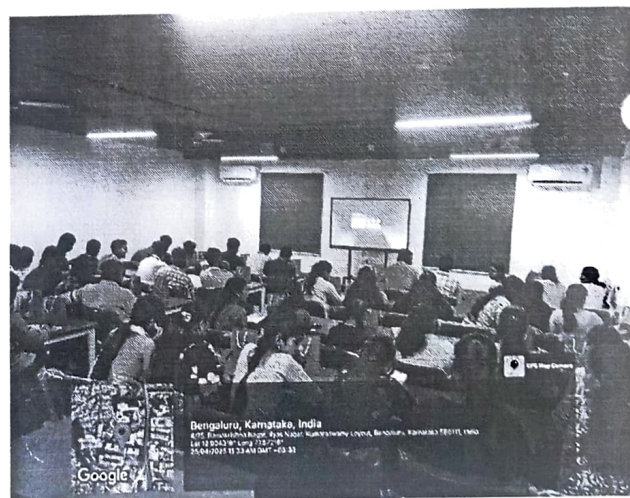

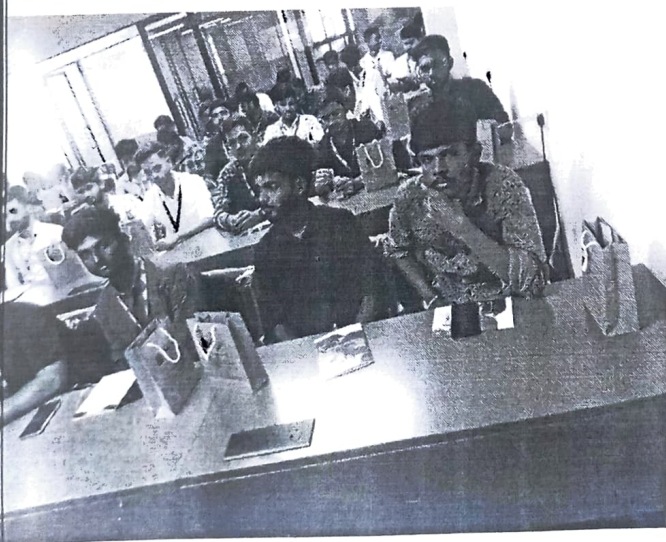

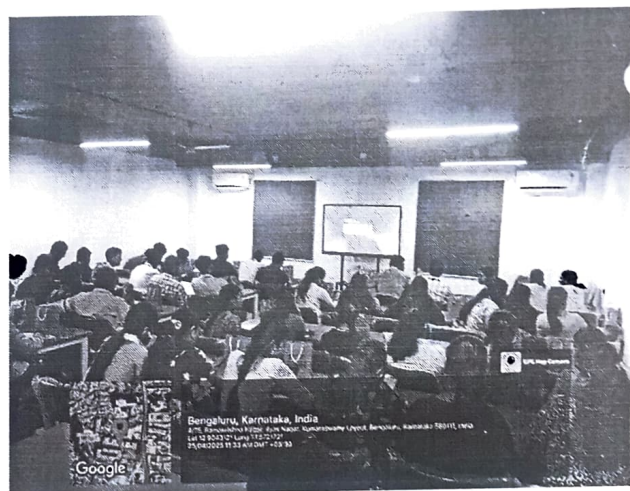

Overall, the session served as a bridge between academic learning and industry expectations, offering students a clearer perspective on their future career paths. The visit concluded with **feedback from students**, expressing their appreciation for the learning opportunity. A **vote of thanks** was delivered by **Mrs. Swathi Harish**, marking the end of a productive and insightful visit.

Department of Computer Science and Engineering

We sincerely appreciate **Dyashin Technosoft Pvt. Ltd.** for their hospitality and for educating us about their processes. We also extend our gratitude to our management, Principal Dr. B. Shadaksharappa, and Head of the Department Dr. Smitha J.A. for granting us this enriching learning opportunity.

Herewith, the glimpses of the event have been enclosed.
