

## Industrial Visit Report

**Organization Visited:** U R Rao Satellite Centre (URSC), Bengaluru

**Class:** III Year B Section – Department of ECE

**Date:** 07.05.2025

**Number of Students:** 66

**Faculty Coordinators:** Dr. S. Jayakumar & Dr. P. Hossana Princy..

We extend our sincere gratitude to the team at **U R Rao Satellite Centre (URSC)** for the enlightening and informative session provided during the industrial visit conducted on **7th May 2025** for our **III Year B section** students.

guided correctly, and expressed their keenness to initiate filings for their ongoing or completed research.

### **Future Scope and Requests**

Given the **overwhelmingly positive response**, multiple faculty members and HoDs requested the R&D Cell to organize a **series of follow-up sessions** — specifically focusing on:

- **Hands-on workshops** on patent drafting
- **Mentorship programmes** for converting project work into IPR
- **Awareness sessions for students** on innovation and startups
- Guidance on **national and international patent filing procedures**

This indicates a clear demand for capacity building in the area of intellectual property and innovation management across departments.

### **Conclusion**

The event concluded with a formal **Vote of Thanks** by **Dr. M. Pandikani** at **1:00 PM**, who expressed heartfelt gratitude to **Dr. G. Puthilibai** for sharing her expertise, and to all the dignitaries, faculty members, and participants for their support and involvement.

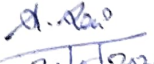

He also acknowledged the behind-the-scenes efforts of the R&D Cell team, technical support staff, and student volunteers in making the event a success.

### **Overall Impact**

The session proved to be not just an academic event, but a catalyst for cultural change within the institution — igniting a collective awareness about the value of intellectual assets and encouraging a forward-looking approach to research and innovation.

The **Research and Development Cell** looks forward to building on the momentum generated by this session and is committed to fostering a sustainable IPR ecosystem within Sri Sairam College of Engineering.
