DEPARTMENT OF CSE (IoT, CyberSecurity including Blockchain Technology)

Report on FDP on Next-Gen Educators: Mastering Block chain with Algorand

Faculty Development Programme on Blockchain Technology was organized by the Department of AI&DS & CSE(ICB) in association with Algorand and IEEE chapter from 13.6.24 to 15.6.24 in B.M.S College of Engineering, Bengaluru. Dr.C.Vinola, Associate Professor & Head, Department of CSE(IoT, CyberSecurity including Blockchain Technology) attended the program. The main Resource person of the event was Dr.Nikhil Varma, Professor of Management at Ramapo College of NJ specialized in Operations and Supply Chain, Blockchain, Data Analytics, Artificial Intelligence and Sustainability. First day session started with the introduction to Distributed Systems, Block chain and its benefits. Second day session covered important topics like Consensus in Blockchain, Proof of stake, Smart contracts and Algorand Characteristics. Final day session covered concepts on Crypto currencies and Hands on session of creating wallets was scheduled and executed in the afternoon session. The sessions were informative and useful for gaining insights in the Blockchain technology.
