Report on Engineers' Day Celebration

Date: 15th September 2025

Venue: Sri Sairam College of Engineering, Bengaluru

Sri Sairam College of Engineering, Bengaluru, celebrated **Engineers' Day** on **15th September 2025** to mark the **birth anniversary of Bharat Ratna Sir M. Visvesvaraya**, one of the greatest engineers of India, statesman, and visionary nation-builder. The event was organized by the Department of Electrical and Electronics Engineering and Mechanical Engineering with the objective of honoring the legacy of Sir M. Visvesvaraya and inspiring young engineers to contribute effectively to society through innovation and technical excellence.

The program commenced with a dignified **Floral Tribute to Sir M. Visvesvaraya**, where the Principal, faculty members, and students paid homage to his unparalleled contributions to engineering and national development.

The formal proceedings began with a **Welcome Address** by Prof. N. Rajeshkumar, Faculty who extended a warm welcome to the dignitaries, chief guest, faculty members, and students. He emphasized the importance of celebrating Engineers' Day as an occasion to recall the pioneering achievements of Sir M. Visvesvaraya and to motivate the younger generation to pursue engineering with passion and integrity.

This was followed by the **Presidential Address** delivered by **Dr. B. Shadaksharappa, Principal, SSCE**, who highlighted the life and contributions of Sir M. Visvesvaraya. He spoke about the significance of engineers in shaping a technologically advanced society and urged students to focus on innovation, sustainability, and problem-solving to meet the challenges of the modern world.

The **Chief Guest of the event, Shri. Prabhudeva, Consultant – TCS, Bangalore**, then addressed the gathering. In his inspiring speech, he shared valuable insights into the expectations of the industry from budding engineers and the importance of continuous skill enhancement. He motivated the students to cultivate critical thinking, adaptability, and ethical responsibility in their professional careers. Drawing from his own industrial experiences, he encouraged students to align academic learning with practical applications and to actively participate in research and development initiatives.

The event concluded with the **Vote of Thanks** proposed by Prof. N. Rajeshkumar, Faculty, who expressed gratitude to the Chief Guest, Principal, faculty members, organizing committee, and students for their support and enthusiastic participation in making the celebration a success.
