

## Report on Free Health Camp on 2<sup>nd</sup> April 2025

Free Health Check-Up Camp was successfully conducted at Sri Sairam College of Engineering on 2<sup>nd</sup> April 2025 in honor of the Founder Chairman's birthday. The event was conducted to initiative aimed to promote health awareness and provide basic medical services to students, faculty, and staff within the college premises.

➤ **Services Offered:**

- General health screening
- Blood pressure and blood sugar check
- Eye check
- ECG

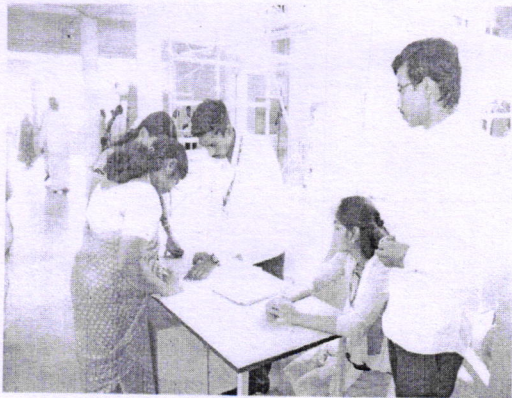

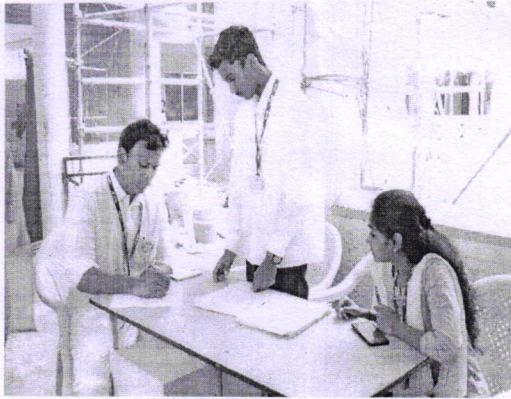

The camp saw active participation from over [200] individuals including students, faculty, and non-teaching staff. Medical professionals from [Narayana Health Care] were present to provide their expertise and guidance.

The event was well-received and appreciated by all attendees. It not only helped in detecting early signs of common health issues but also emphasized the importance of regular health monitoring. The college management expressed interest in organizing similar camps periodically.

The free health check-up camp at Sri Sairam College of Engineering was a significant step toward fostering a healthier campus environment. The combined efforts of the organizing team, healthcare professionals, and volunteers made the event a grand success.
