

Report of Trekking Camp on 4th April 2025

A trekking camp was organized by Sri Sairam College of Engineering for NSS and NCC volunteers, aiming to promote fitness, environmental awareness, and teamwork among students. Around 45 students and three faculty members participated in the event.

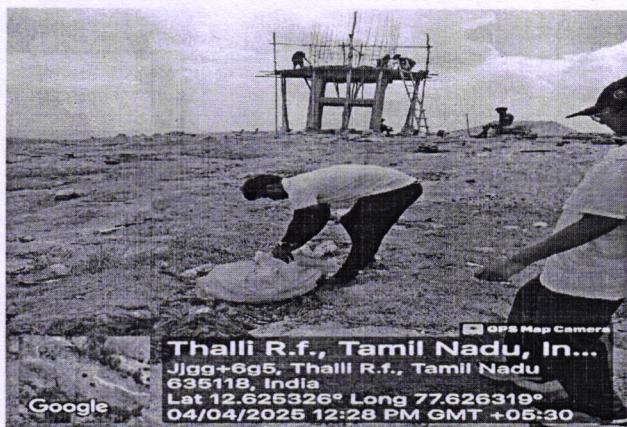

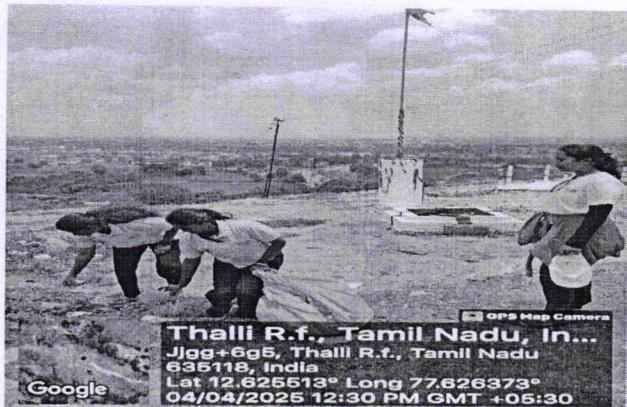

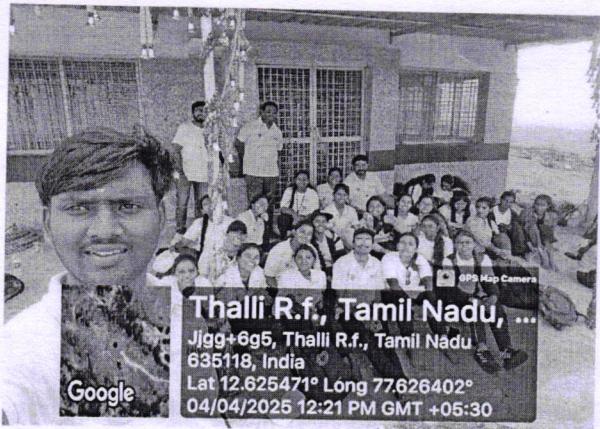

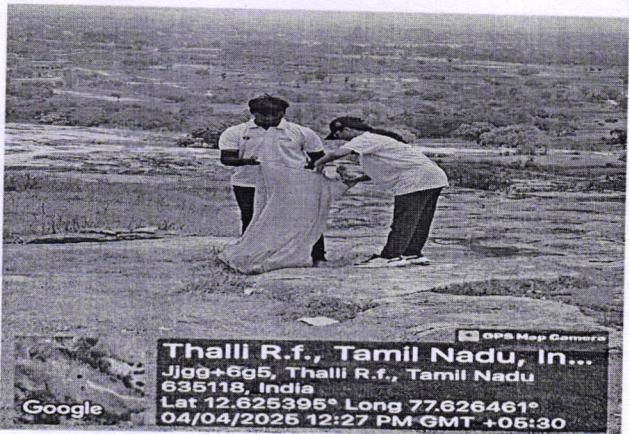

The team departed from the college campus at 10:00 AM and reached the trekking location, Devarabetta by 11:00 AM. Known for its scenic beauty and peaceful surroundings, Devarabetta offered an ideal setting for the trekking experience.

After reaching the top of the hill, Team visited at the Lord Shiva Temple situated there and worshipped lord Shiva. It was a moment of peace and reflection for the students. Following the worship, snacks were distributed to all Students, providing them with a well-earned break and refreshment.

During the trek, students not only enjoyed the natural environment but also took the initiative to clean the area. As part of their social responsibility, they collected and disposed of plastic bottles and other litter scattered around the site, contributing to the cleanliness and preservation of nature.

The trekking was completed around 1:00 PM. After descending, all the students were taken for lunch, at a restaurant where they enjoyed their meal. The group then returned to the college and reached the campus safely by 3:40 PM.

The trekking camp was a successful and enriching experience, blending physical activity, devotion, social responsibility, fun, environmental responsibility and unity. The event left participants with lasting memories.
