

**NCC ARMY WING, FSFS/1/A COY**

**Report on Tree Plantation Drive**

**Date:** 16th October

**Venue:** Sri Sairam College of Engineering Campus

**Organized by:** NCC Unit

**Occasion:** In remembrance Saalumarada Thimmakka

The NCC Unit of our college, in collaboration with the Lions Club Anekal Ragi Nadu, organized a Plantation Drive on 27/12/2025 in the college campus. The programme aimed at promoting environmental awareness and encouraging students to take responsibility for protecting nature.

The event was held in remembrance of Saalumarada Thimmakka, the renowned environmentalist known for her exceptional contribution to afforestation. As a tribute to her legacy, around 50 saplings of various species were planted across the campus.

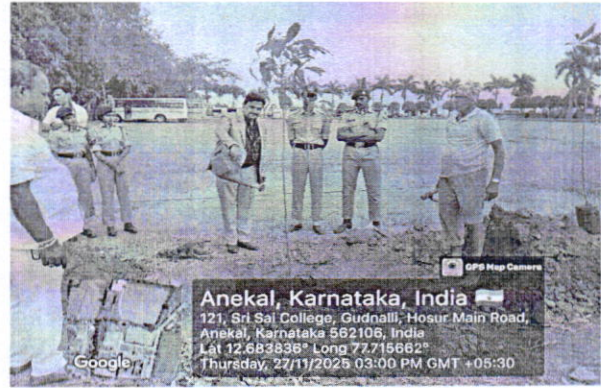

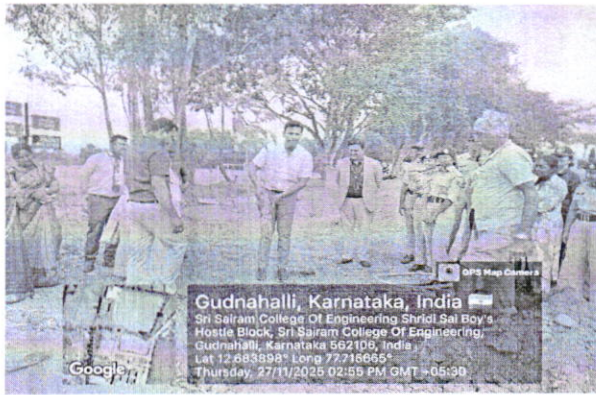

The programme began with a brief inaugural session addressed by the Principal by highlighting the importance of preserving green spaces and the role of youth in sustaining ecological balance. HODs, and representatives of the Lions Club were also they part of this plantation drive.

NCC cadets, NSS volunteers, and Bharat Scouts & Guides actively took part in digging, planting, watering, and fencing the saplings along with principal, HOD, and Members of the Lions Club.

The Management appreciated the collective efforts of all participants for contributing to the beautification of the campus. The involvement of different student wings made the event more impactful and collaborative.

Our team was also proud to be a part of this meaningful initiative, which strengthened our commitment towards environmental conservation. The drive concluded successfully with a pledge to protect and nurture the planted saplings in the coming months.
