Sub: Report on **Industrial Visit - Robomanthan Pvt. Ltd, Bangalore**

With reference to the above subject, second year students of our department visited **Robomanthan Pvt. Ltd.** An industrial visit was organized for 60 students accompanied by two faculty members, **Prof.Sobha V & Prof.M.Amsa Lakshmi** to **Robomanthan Pvt. Ltd.** on 06<sup>th</sup> March 2026, the group reached the company premises at **11:55 AM.**

The visit commenced with a warm **welcome address by Mr.Saurav Kumar**, CEO,Robomanthan Pvt Ltd. He greeted the students and provided an overview of the company's vision and culture. He gave a brief introduction about the company, its work processes, HR practices and internship opportunities. He also shared valuable insights on how students should approach and execute projects, emphasizing industry expectations and standards. This was followed by a two-hour session led by Mr. Karan Patel on the integration of Robotics and Artificial Intelligence.

Students then participated in an **industry walkthrough**, offering them a **glimpse into the real-world tech environment** and allowing them to observe how professionals work on live projects.

An interactive session was conducted with the employees of Robomanthan, providing students with a valuable opportunity to gain practical insights into the IT industry. During the session, students engaged in meaningful discussions about the company's work culture, the tools and technologies employed in their daily operations, and received career guidance from experienced professionals.

The employees shared their real-world experiences, offered advice and responded enthusiastically to student queries, making the session both informative and inspiring. A key highlight of Robomanthan Pvt. Ltd. was its strong focus on Robotics, Artificial Intelligence (AI), Internet of Things (IoT), and Automation, showcasing how these advanced technologies are integrated to develop innovative, real-world solutions.

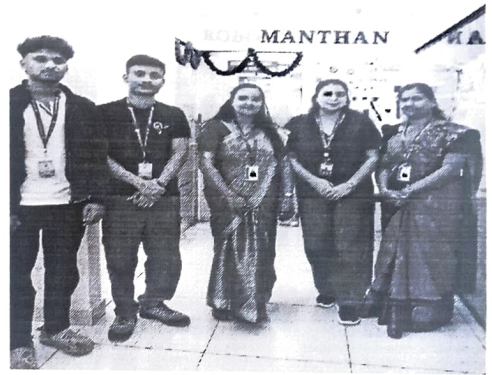

Overall, the visit served as a bridge between academic learning and industry expectations, offering students a clearer perspective on their future career paths. The visit concluded with **feedback from students**, expressing their appreciation for the learning opportunity. A **vote of thanks** was delivered by **Mr.Sourav**, marking the end of a productive and insightful visit.

## Department of Computer Science and Engineering

We sincerely appreciate **Robomanthan Pvt. Ltd.** for their hospitality and for educating us about their processes. We also extend our gratitude to our management, Principal Dr. B. Shadaksharappa, and Head of the Department Dr. Smitha J.A. for granting us this enriching learning opportunity.

Herewith, the glimpses of the event have been enclosed.

### Glimpse of the Visits
