Report on TECHNO VISTA 2K25 - A National Level Technical symposium

Event: TECHNO VISTA 2K25 “Vision Beyond Innovation”

Date: 30/10/25

Venue: Sri Sairam college of Engineering, Anekal

The Department of Information Science and Engineering (ISE) of *Sri Sairam College of Engineering*, Anekal, Bengaluru, successfully conducted TECHNO VISTA 2K25, a grand National Level Technical Symposium, on 30-10-2025. The symposium offered a vibrant platform for young innovators, technologists, and researchers to showcase their skills, explore emerging technologies, and contribute toward sustainable technological solution

Event Details

Event Name	TECHNO VISTA 2K25
Organizing Department	Department of Information Science And Engineering (ISE)
Date	October 30,2025
Venue	Sri Sairam College of Engineering, Anekal, Bengaluru
Patrons	Dr. Sai Prakash LeoMuthu, Chairman & CEO, Sairam Institutions
President	Dr. Shadaksharappa, Principal, SCE, Bengaluru
Convener	Prof.Jenifer, Head (ISE), SCE, Bengaluru
Faculty Coordinators	Prof. D.Selvarani & Prof.K. Malar
Student Coordinators	Gnana Deepak & Sanjana S

DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

Inauguration Highlights

Inauguration started at 10:30 AM at Seminar hall. Seeking the blessing of almighty, the invocation song was sung by Ms.Jai Bhavani(IV ISE) and invocation dance by Ms.Pallavi and Ms.Suchithra(II ISE).For a symbolic beginning, the guests were invited for the lighting of the lamp. Department video incorporating all the achievements and success of students and faculties was presented. The video was prepared by Mr.Gnana Deepak, Mr.Faizaan and Mr.Maaz Fakhroo(IV ISE). Welcome address was delivered by Ms.Sanjana S (IV ISE) inviting the gathering. Prof. Selvarani D unveiled the highlights of various events of the day. Prof. Malar K invited the dignataries for the issuance of periodicals. This is the official moment of inauguration. Our Principal Dr.B.Shadaksharappa addressed the gathering and encouraged every participant to make full use of these opportunities and explore new technologies. Prof. Nandini K N introduced the chief guest Mr.Krishnaraj Selvathurai, Application Specialist, Bank in Germany. Followed by that Our Chief guest addressed the gathering and inspired the student community to bridge cutting-edge technology with real-world challenges, and to empower each of you to think beyond textbooks, to design and deliver solutions that matter. As a closing note vote of thanks was delivered by Prof. Jenifer A, HOD/ISE.

Event Highlights

The symposium provided a platform for participants to showcase theoretical knowledge and innovative ideas:

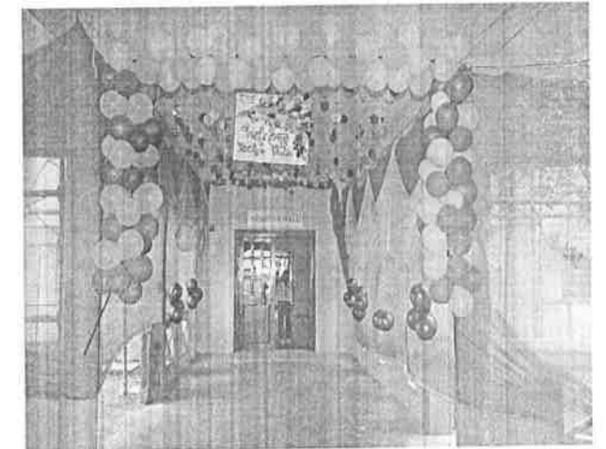

- Paper Vista (Paper Presentation): An opportunity for participants to showcase their research work, innovative ideas, and technical insights through formal paper presentations on emerging technologies. After scrutinizing 20 teams presented their papers.
- Bug Smash (Debugging): This event challenged participants to detect and fix logical and syntactical errors in code, fostering precision, problem-solving ability, and coding efficiency.60 participants took part in debugging.
- Tech IQ (Technical Quiz): An exciting contest that sparked curiosity and tested participants' mastery of core engineering concepts and recent innovations in technology.64 participated in technical Quiz.

DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

- Code Quest (Technical Hunt): This event combined fun and intellect, where participants decoded technical clues and completed tasks to progress through multiple rounds, enhancing teamwork and analytical thinking. 12 teams participated in code Quest.
- Frame Fusion (Poster / Video Making): This event provided a platform for students to showcase their creativity and technical understanding by designing posters or producing short videos centered on emerging technologies and sustainable solutions. 3 Posters and 6 video were showcased.
- Clash of Squadzz (Gaming): This event brought together gaming enthusiasts to compete in an intense, skill-based tournament that emphasized coordination, strategy, and real-time collaboration. A great response was received for this event.

Participation and Outcomes

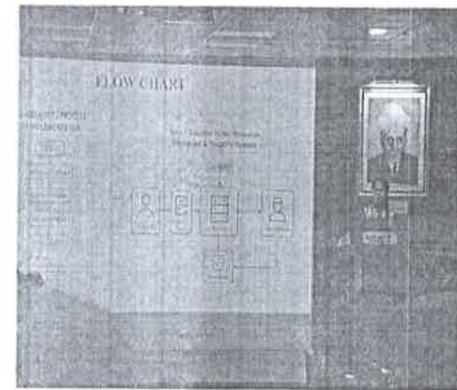

The dual events garnered highly enthusiastic participation from a wide range of institutions P.M.C. College of Engineering, AMC Engineering College, T.John Institute of technology and Alliance University among others.

A report on Launch of National Level Technical Symposium

Event: Launch of TECHNO VISTA 2K25 “Vision Beyond Innovation”

Date: 24/10/25

Venue: Sri Sairam College of Engineering, Anekal

TECHNO VISTA 2K25 is the first-ever National – Level technical symposium hosted by the department of Information Science and Engineering at Sri Sairam College of Engineering, Anekal. TECHNO VISTA 2K25 represents a significant milestone for the department, aiming to bring together bright minds from across the nation to participate in a variety of technical and non-technical events that foster creativity, innovation and collaboration.

The key objectives of the symposium to provide a national-scale forum for students and practitioners to showcase project work, research and prototypes.

The launch began at 3:00 PM in the Department of Information Science and Engineering. The event was graced by dignitaries including the Principal, Dr.B.Shadaksharappa, Trustee, Shri K Patel, Head of the Department of Information Science and Engineering, Prof.Jenifer A and Head of Department of all the other departments.

Inaugural Highlights

The event began with a Prayer song sung by Ankitha and team(II ISE) followed by the Welcome address delivered by Nikita(III ISE).To give a glimpse into the vision and objectives behind this exciting fest a brief note was delivered by Chrysl Ruth Keren(III ISE). Our beloved Principal was invited for the most awaited event of the day, the official declaration of TECHNO VISTA 2K25 and the release of the posters.

Address by Our Principal emphasized the importance of technical symposiums in nurturing innovation, bridging academia-industry gaps, and developing future leaders. Followed by that our HOD encouraged the participants to not only showcase technical skills but also develop critical thinking, teamwork and entrepreneurial mindset. Our HOD introduced the Student Co-ordinators: Gnana Deepak, Sanjana S (IV ISE) and Staff Co-ordinators: Prof Selvarani D, Prof K.Malar. Badges for the Student and Staff Co-ordinators was distributed on this occasion.

The launch also presented an overview of the symposium’s structure: a perfect blend of technical and non-technical events.

- Paper Vista
- Bug smash
- Tech IQ
- Code Quest
- Frame fusion

➤ Clash of Squadzz

The symposium is scheduled on 30/10/2025 anticipating a good number of student participants across India. Publicity for the event includes social media campaigns, institutional newsletters, poster drives and email invites to colleges nationwide.

The launch of the symposium marks the beginning of a promising event that is poised to bring together talent from across the country. With the support of organizers, mentors and participants, the symposium sets the stage for high-quality output, meaningful engagements and memorable experiences for all involved.
