Sub: Report on Two-day Workshop on “Mobile App Development from Concept to Deployment” – Reg.

The Department of Computer Science and Engineering (CSE), Sri Sairam College of Engineering, Bangalore, in collaboration with the ISTE Student Chapter, IEEE Computer Society, M-App Club and CODE Club, organized a two-day hands-on workshop titled “Mobile App Development from Concept to Deployment.” The objective of the workshop was to provide students with practical knowledge of mobile application development using Kotlin in Android Studio. The workshop was conducted on 4th March 2026 and 5th March 2026 at the AV Hall for pre-final year students of all departments.

The resource person for the workshop was Mr. Sakthivel A, Project Manager, HCL Technology, Chennai. The session commenced with a welcome address by Dr. Smitha J. A., Head of the CSE Department, followed by the introduction of the resource person by Prof. Malar, ISE Event Coordinator. All MAGIC team members of the M-App Club and SCOPE members of the M-App Club were present during the inauguration.

The training session included an orientation to mobile application development and the basics of Kotlin, followed by the development of sample applications using Android Studio. The resource person also introduced AI tools that can assist in mobile application development, enabling students to understand modern development practices.

The outcome of the workshop was that students gained a clear understanding of mobile application development, the Android development environment and the process of building and deploying applications using Kotlin in Android Studio.

The two-day hands-on workshop concluded around 4:00 PM with feedback from the participants, followed by a vote of thanks delivered by Dr. Smitha J. A.
