

REPORT ON JAM XPRESS

26.05.2026

The English Club of Sri Sairam College of Engineering took the initiative to encourage first-year students to participate in the “JAM Xpress – Just A Minute Speaking Competition, May 2026” organized by Podium Xpress. The event aimed to nurture communication skills, confidence, spontaneity, and public speaking abilities among students through a one-minute video speaking activity.

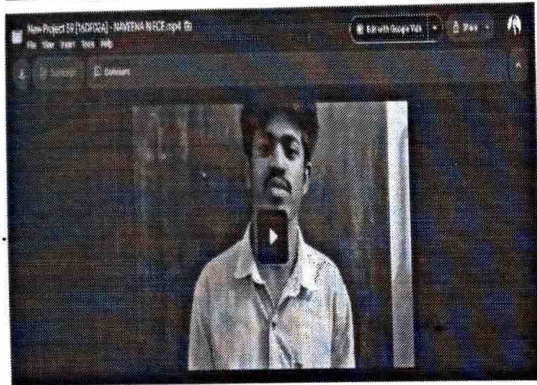

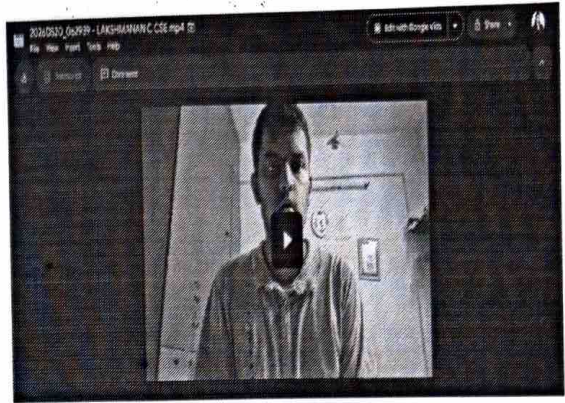

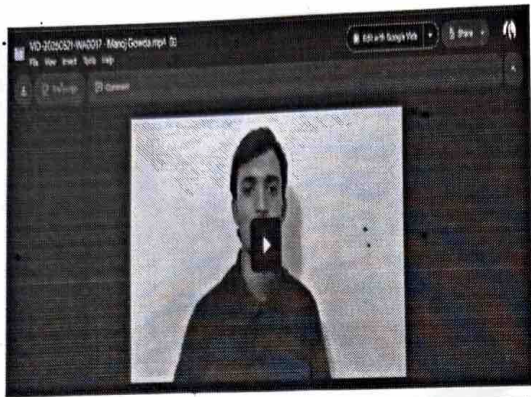

The competition was conducted through video submission mode, providing students with an excellent opportunity to showcase their speaking talents creatively and confidently. Students from various categories, including School, UG, PG, and Open categories, were invited to participate in the event. Registration for the competition was free, which enabled maximum participation and encouraged enthusiastic involvement from students.

Under the guidance of the English Club, all first-year students of the college actively participated in the competition by preparing and uploading their videos successfully within the stipulated timeline. The initiative created a vibrant platform for students to improve their fluency, articulation, stage confidence, vocabulary, and presentation skills. It also motivated them to overcome stage fear and express their thoughts effectively in English.

The event played a significant role in enhancing students’ communication competence, which is essential for academic excellence, career growth, interviews, group discussions, and professional success. Through this activity, students gained exposure to competitive speaking environments and learned the importance of clarity, confidence, time management, and creative expression.

The management’s continuous encouragement greatly contributed to the successful execution of this initiative. The English Club sincerely expresses its heartfelt gratitude to Principal, Dr. B Shadaksharappa and Chief Operating Officer, Dr. Arun Kumar R for their continuous support, guidance, motivation, and encouragement in promoting student participation in co-curricular and skill-development activities.

The active participation and enthusiastic response from the students made the initiative highly successful and meaningful. The event proved to be a valuable learning experience that strengthened students’ confidence and communication abilities while fostering a spirit of participation and self-expression.
