Report on GATE Awareness and Opportunities Session

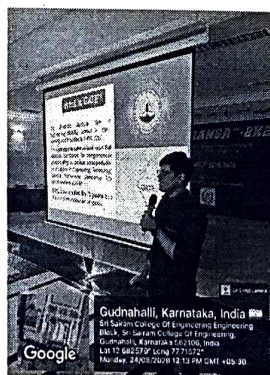

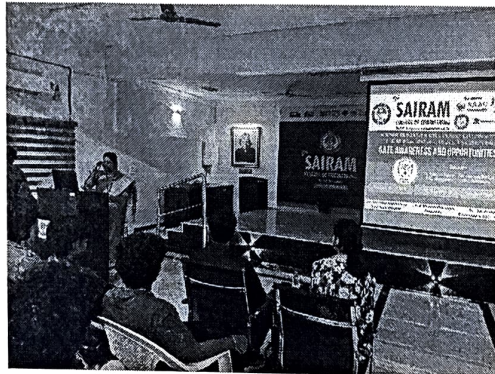

The Higher Education Cell of Sri Sairam College of Engineering, in association with the GATE/JAM Office, Indian Institute of Science (IISc), Bengaluru, organized a **GATE Awareness and Opportunities** session on 24th August 2026 for the undergraduate students of the institution.

The programme commenced with a **welcome address by Prof. Amsalakshmi**, who welcomed the IISc representatives, faculty members, and students and highlighted the importance of awareness about competitive examinations and higher education opportunities.

Following the welcome address, **Dr. Suvodip Mukherjee and the Higher Education Cell team** felicitated the visiting IISc guests, **Mr. Samuel Nadar and Ms. Gulnaaz Rasiya**, as a gesture of appreciation and welcome. The IISc representatives conducted an informative session on **GATE**, covering the examination, eligibility, preparation, admission opportunities, and various academic and career pathways available after qualifying GATE. They also highlighted the **higher education, research, and other opportunities available at IISc**, helping students understand the possibilities beyond their undergraduate studies. The programme was conducted in **two sessions**. The first session was organized for **400+ fourth-year students**, followed by a second session for **350+ third-year students**. The speakers interacted with the students and addressed their queries regarding GATE, higher studies, research opportunities, and career prospects.

The sessions concluded with an **interactive Question-and-Answer session**, during which students clarified their queries with the IISc representatives. The programme concluded with a **Vote of Thanks delivered by Dr. Suvodip Mukherjee**, who expressed gratitude to the IISc team, college leadership, faculty members, coordinators, and students for their support and active participation. Overall, the session provided valuable exposure to **GATE, higher**

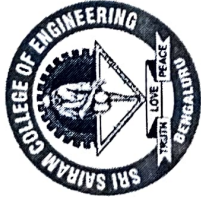

education, research opportunities, and the academic pathways available at IISc, motivating students to explore these opportunities for their future careers.
