Sub: Report on Intra Mobile App Development Competition held on 19.08.26 – Reg

The **M-APP Club** of Sri Sairam College of Engineering, Bangalore, organized an Intra Mobile App Development Competition on **19.08.2026** at the CSE Lab. The competition was conducted to provide students with a platform to showcase their creativity, innovation, technical skills, and problem-solving abilities through mobile application development. The event was open to students from various CSE core and allied branch departments.

The Competition started with the welcome address by the **SCOPE Members and MAGIC Team Members** who warmly welcomed the participants and encouraged them to actively participate and showcase their innovative mobile application ideas.

PROGRAM DETAILS:

A total of **20 students from various CSE core and allied branch departments** actively participated in the competition. The participants developed and presented innovative mobile application solutions addressing real-world challenges under the following **themes: Healthcare, Sustainability, Education, Smart Life and Open Innovation.**

The participants demonstrated their applications by explaining their concepts, features, functionality, user interface and practical relevance.

The projects were **evaluated by the SCOPE Members** based on parameters such as innovation, creativity, technical implementation, functionality, user interface and presentation skills.

OUTCOME

The competition provided students with an opportunity to transform their ideas into practical mobile application solutions. The participation of students from various CSE core and allied branches encouraged interdisciplinary learning and knowledge sharing.

The event helped students enhance their technical skills, creativity, innovation, problem-solving abilities, teamwork, and presentation skills. The evaluation and feedback from the SCOPE Members further motivated the participants to refine their ideas and develop more effective solutions.
