

## Report on R and D club activity on National Science Day-28/02/2020

All members of club along with Science club students visited to Samandhur Govt High School on occasion of National Science Day on 28/02/2020.

Club members presented a video showcasing life history & achievements of Sir C V Raman & also explained as to why this day is called as National Science Day. General Science quiz was organized for all students (8<sup>th</sup>, 9<sup>th</sup> & 10<sup>th</sup> std) to create interest in Science among them. Students participated actively in the quiz.

In order to create interest in science among the student's few experiments were demonstrated by the R and D club Members to all the students. The students enjoyed the experiments and understand the concept too.
