

Report on Offer Letter Distribution Function

Sri Sairam College of Engineering, Bengaluru, celebrated the Offer Letter Distribution Ceremony on May 22, 2024, to distribute offer letters to the placed students of the 2020-2024 batch. The event was graced by Mr. B. Vasu Dev, Managing Director of PHYTEC Embedded Pvt Ltd, Bengaluru, as the Chief Guest, and Mr. Murugan R, also from PHYTEC Embedded Pvt Ltd, Bengaluru, as the Guest of Honor.

The Training and Placement Officer, Prof. V.A. Guruprasath, welcomed the gathering and presented the placement statistics. He noted that over 90% of eligible students were placed this year, with top companies such as TCS, METTLER, 6D Technologies, ZOHO, and Abright Lab conducting campus interviews during the academic year 2023-2024. He highlighted that the Mechanical Engineering department achieved a 100% placement rate.

Dr. B. Shadaksharappa, Principal of Sri Sairam College of Engineering, delivered the presidential address, congratulating the departments with 100% placement and the placement cell for their accomplishments. He advised students with multiple offers to make wise decisions when choosing a company to join.

Dr. R. Arunkumar, Management Representative at Sri Sairam College of Engineering, delivered the felicitation address, praising the Training and Placement Cell for their achievements. He emphasized the importance of certification courses and skill set development in building successful careers.

The Guest of Honor, Mr. Murugan R, encouraged students to continuously develop their skill sets and embrace lifelong learning practices.

In his inspiring speech, Chief Guest Mr. Vasu Dev discussed the job market for various streams in India, recommending that students consider working with start-ups to gain extensive learning experiences. He motivated students by explaining the latest market trends and the skills expected

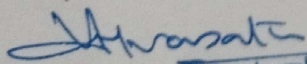

by companies, and provided guidance on building careers in fields such as Information Science, Data Science, Electrical and Electronics, and Machine Learning.

During the ceremony, 185 offer letters were distributed to students who secured placements during the academic year 2023-2024. Companies including Mettler, TCS, ZOHO, 6D Technologies, Abright Lab, UST Software Solutions, Innoforge, WendT, YUTO, PRDC, RADEL Electronics, Blue Cold Refrigerator, Speridian Software, Gowri Software, Vtiger, BYJU'S, and Technologies were among those hiring the students.

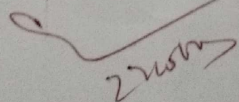

Prof. Jenifer, Placement Facilitator for CSE at SSCE, concluded the event by thanking all attendees and organizers.
