## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### Event Report on "Golang Programming"

One-Day Workshop on "Golang Programming" Organized by the Electronics and Communication Engineering Department, for the second-year students on July 15, 2024, Sri Sairam College of Engineering, Anekal, Bangalore. The workshop was held from 10:00 a.m. to 4:00 p.m. at the AV Hall.

The workshop began with a welcome address by the **Head of the Department, Dr. A. Poonguzhali**, who emphasized the importance of learning modern programming languages and their applications in the field of electronics and communication.

The Program Coordinators, **Dr. S. Jayakumar**, Associate Professor, ECE, and **Prof. P. Venugopal**, Assistant Professor, ECE, introduced the speakers for the workshop. They provided a brief overview of the objectives of the workshop and the expertise of the resource persons.

The **Principal** of Sri Sairam College of Engineering, **Dr. Shadaksharappa**, delivered the Presidential address. He highlighted the college's dedication to providing students with opportunities to enhance their technical skills.

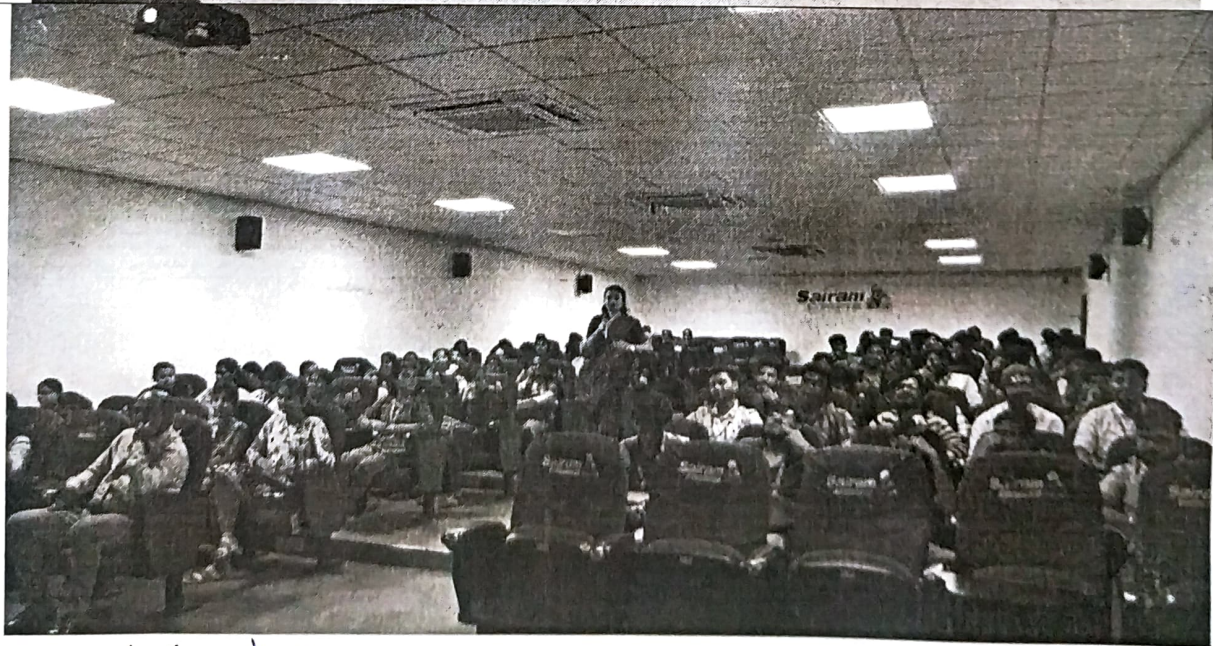

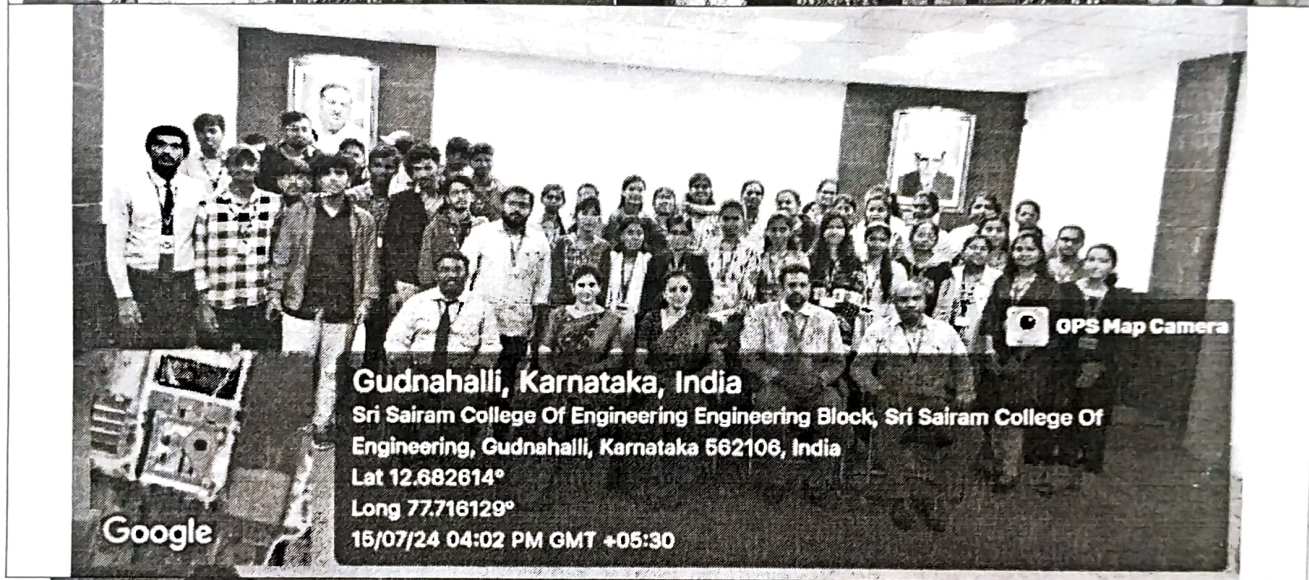

The workshop featured sessions by **Ms. Shravya Shetty**, Assistant Professor, and **Ms. Bindu S.**, Assistant Professor, from the Department of AIML, New Horizon College of Engineering. They delivered Golang programming, covering various topics such as pointers, arrays, indexing, and structures. The sessions included a mix of lectures, hands-on activities, and quizzes to reinforce the concepts taught.

Participants engaged in hands-on activities to apply the concepts learned during the workshop. A quiz assessment was conducted to evaluate the students' understanding and retention of the material.

The workshop concluded with students providing positive feedback about the program. They appreciated the practical approach and the interactive sessions, which helped them gain a deeper understanding of Golang programming.

Overall, the workshop was a resounding success, providing valuable insights and skills to the participants, and encouraging them to further explore the field of programming.
