15.07.2024

Submitted,

Sub: **Report on SAI INTELLIVERSE** - A National Level Technical Symposium -
12.07.2024 - Dept. of AIML - Reg.

With respect to the above subject, hereby submitting the report of **SAI INTELLIVERSE**, a prestigious national-level technical symposium organized by the Department of Artificial Intelligence, took place on 12.07.2024 at Seminar hall of in our college campus. The event was a convergence of students, researchers, and enthusiasts in the field of emerging technology, showcasing cutting-edge technologies and fostering intellectual exchange.

The symposium aimed to provide a platform for participants to delve into the latest advancements in recent technologies, explore innovative applications across various domains, and engage in insightful discussions on the future of AI.

The inaugural program had begun with an invocation song by Ms. Ananya P, 3rd Year Dept. of AIML. Dr. Sivaprakash C, Professor & Head - Dept. of AIML delivered the welcome address and highlighted and briefed about SAI Intelliverse, a national level technical symposium and extended his warm welcome to all the dignitaries, faculty and students participants.

Our beloved Principal Dr. B Shadaksharappa presided over the inaugural program and delivered the presidential address, he addressed the rapid pace of technological advancements presents us with both unprecedented opportunities and daunting challenges.

Our Chief Guest Sri. Raghudeep Madineni - Head Ather Energy, Hosur, delivered the keynote address, setting the tone for the symposium by discussing current trends, challenges, and opportunities in AI research and development. He also discussed about the innovation and collaboration in the realm of technology and its significant milestone in the journey towards academic and industry partnership.

Department of Artificial Intelligence and Machine Learning

Our Management Representative Dr. Arun Kumar R, delivered the special address, he expressed about the transformative power of technology in shaping our world and also addressed the challenges, and paves the way for a future that is driven by innovation and sustainability.

The inaugural program was concluded with a vote of thanks proposed by Prof. Anitha S, Assistant Professor, Dept. of AIML.

Later the technical and non-technical session were started. The event featured a technical Paper presentation sessions. These sessions covered diverse topics such as machine learning, natural language processing, computer vision, robotics, and ethical considerations in AI. Researchers and students presented their findings through paper presentations, providing a platform for sharing new ideas, methodologies, and experimental results in recent technical developments in their related research.

The Participants are from VIT, Vellore-Tamilnadu, Bearys Institute of Technology, Mangalore-Karnataka, P.S.V College of Engineering and Technology, Krishnagiri-Tamilnadu, Jain Institute of Technology, Davanagere-Karnataka, Adhiyamaan College of Engineering, Hosur-Tamilnadu, AMC Engineering College, Bengaluru-Karnataka, NTTF, Bengaluru-Karnataka, MGR Arts & Science College, Hosur-Tamilnadu, PMC Tech, Hosur-Tamilnadu and Sri Sairam College of Engineering, Anekal-Karnataka.

Participants had the opportunity to explore technology-driven innovations through activities like, Scan-tastic Hunt, Nerd Knockout, NET making, Sparl Tank, Gone Glitvh, Type Wars, Web Wizards and non-technical activities like, InspireInk, Who's Poppin, etc. The symposium facilitated networking among participants, encouraging collaborations and partnerships among researchers and students.

The Valedictory function was presided over by our beloved Principal Dr. B Shadaksharappa and he honoured the winners with a memento, certificate and cash prize for all 10 events participated by 187 participants. Total cash prize of 24,000 is distributed to all the winners.

Department of Artificial Intelligence and Machine Learning

The SAI INTELLIVERSE – A National Level Technical Symposium was concluded with a vote of thanks. High tea was organized for all the officials and participants in the evening.

SAI INTELLIVERSE proved to be a resounding success, fostering a stimulating environment for learning, collaboration, and innovation in emerging technologies. The symposium not only highlighted the rapid advancements in recent technology but also underscored the importance of ethical considerations and responsible development. Participants left with enriched knowledge, new perspectives, and strengthened connections within the community.

Looking ahead, SAI INTELLIVERSE aims to continue its role as a premier platform for advancing AI research and applications, promoting interdisciplinary collaboration, and preparing future generations for the challenges and opportunities in the field of artificial intelligence and machine learning.

Kindly do the needful.

Thanking you,

Yours Sincerely,

Program Convener
