Sub: Report on Technical Symposium-LIVAZ-2024-ECE Department on 5th March – Reg.

Department of Electronics & Communication Engineering organized a Technical Symposium LIVAZ 2024 on 5th of March 2024.

The inaugural session of the symposium started with an invocation song followed by the lighting of the lamp by the dignitaries. The dignitaries Dr Mahesh A, HR, Radel Electronics Private Limited, Principal Dr Shadaksharappa, Dr.Arunkumar Rajendran, Management Representative and K.Patel, P.R.O were escorted by the Convener Dr A.Poonguzhali, Head of the Department.

Dr A.Poonguzhali, Head of the Department, welcomed the dignitaries, Heads of the departments, Staff and students. The chief guest was felicitated with flower bouquet & memento by the dignitaries. Souvenir was released by the dignitaries. Dr.Shadaksharappa ,Principal delivered the presidential address along with the evolution of Livaz and addressed the importance of such technical symposiums. Dr P. Hosanna Princye , Associate Professor gave the introduction about the chief guest. The Chief Guest addressed the gathering, in which he stressed the students to concentrate more on core papers and also about the methods to clear the interview. He motivated the students to enrich their knowledge in their basic papers. The Department Annual Report was read by Dr Ahila A, Associate Professor. The special address was delivered by Dr. Arunkumar Rajendran, Management Representative.

The following Events were conducted during Livaz-2K24:

- Technical QUIZ COMPETITION
- Technical CROSSWORD
- Paper Presentation
- JAM
- CIRCUIT DEBUGGING
- TREASURE HUNT
- TECHNICAL CONNEXIONS

Technical Quiz Competition, Technical Crossword, Paper Presentation, Circuit Debugging, Treasure Hunt, and Technical connexions were the activities held on March 5, 2024. 85 members registered (55 members registered on spot). The purpose of all the events was to reveal the latent abilities of the aspiring technocrats. The session chair for the paper presentation is Dr. Thenmozhi Rayan, Associate Professor, ECE, Dayananda Sagar College of Engineering, Bangalore.

On March 5, 2024, the symposium came to a close with a valedictory function. Participants and the principal expressed their perspectives on the symposium and shared their experiences. Prof. Deepika, faculty member of ECE, announced the winners and runners. Our HOD, Dr. A. Poonguzhali, and Session Chair Dr. Thenmozhi Rayan presented them with a cash prize and certificate. Student Coordinator Sakthivel, IV ECE, gave up the vote of thanks. National Anthem concluded the event.
