Report on the Session: GO GLOBAL – “Plan Your Global Future”

The Corporate Academia Relation (CAR), Higher Education Cell (HEC) and Foreign Language Club of Sri Sairam College of Engineering, Anekal, in association with VIT Bangalore, organized an informative session titled “GO GLOBAL – Plan Your Global Future” on 5th March 2026 at 02:00 PM in the Seminar Hall of the college. The session was conducted for **third-year students of all departments** to provide guidance on opportunities for pursuing higher education and global career pathways.

The program commenced with a **welcome and introduction by Prof. Malini K V**, representing the Corporate Academia Relation (CAR) cell. She warmly welcomed the distinguished guests and highlighted the importance of global exposure and international academic collaborations for engineering students. As a token of appreciation and respect, **mementos were presented to the invited speakers.**

Following the introduction, **Dr. Suvodip Mukherjee, Higher Education Cell (HEC) Coordinator**, addressed the gathering. In his speech, he emphasized the growing importance of **international education, interdisciplinary learning, and global mobility** for engineering graduates. He encouraged students to actively explore opportunities for higher studies abroad and to prepare themselves academically and professionally for a competitive global environment.

The keynote session was then delivered by the distinguished speaker from **VIT Bangalore**:

- **Prof. Prema M, Director, International Center for Education and Research (ICER)**

The speaker provided detailed insights into **global education pathways, international collaborations, research opportunities, and higher education prospects abroad**. They discussed the importance of **academic excellence, research exposure, language proficiency, and strategic planning** when applying to international universities. The session also covered **scholarship opportunities, admission processes, and career prospects after pursuing global education.**

Students from **third year across all departments** actively participated in the session and gained valuable knowledge about planning their academic and professional futures on a global scale. The interaction enabled students to better understand the **requirements, challenges, and advantages of pursuing international education.**

The session concluded with a note of appreciation to the speakers for sharing their expertise and motivating students to expand their academic horizons. The event proved to be highly informative and beneficial for students aspiring to pursue **global academic and career opportunities.**
