Report on the Session

"Korean Basics Unveiled: Jobs and Higher Studies Opportunities in South Korea"

The Higher Education Cell (HEC) and Corporate Academia Relationship (CAR) Cell in collaboration with the Department of Science and Humanities, successfully conducted a session on "Korean Basics Unveiled: Jobs and Higher Studies Opportunities in South Korea" on 24th March 2025, at the Seminar Hall, Sri Sairam College of Engineering, Anekal.

The session was exclusively organized for first-year students, aiming to introduce them to Korean language basics, cultural insights, higher education opportunities, and career prospects in South Korea. The event was inaugurated by Dr. Suvodip Mukherjee, HEC Coordinator, and Prof. Malini K V, Head of CAR, setting the stage for an engaging and informative session.

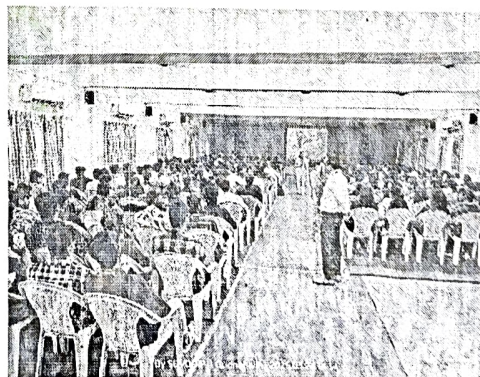

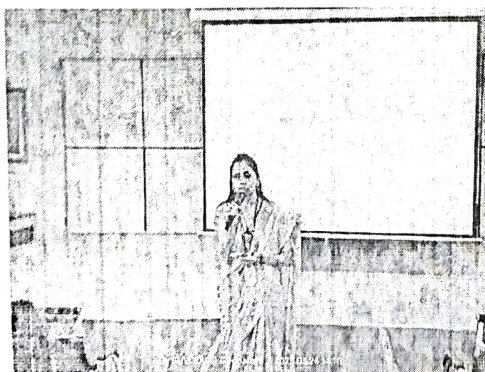

Eminent speakers from KOCON Centre Private Limited and King Sejong Institute Bengaluru, Mr. Joe Glenn Fernando, shared valuable insights on learning the Korean language, scholarships, job opportunities, and global career pathways.

The session strongly aligned with the United Nations Sustainable Development Goals (SDGs), particularly:

- **SDG 4: Quality Education** – By promoting linguistic and cultural learning for global exposure.
- **SDG 8: Decent Work and Economic Growth** – By informing students about career prospects and job opportunities in South Korea.
- **SDG 17: Partnerships for the Goals** – By fostering international collaborations in education and employment.

The interactive session received an enthusiastic response from students, who actively participated and expressed keen interest in learning Korean and exploring international opportunities. The event was successfully coordinated with the support of Dr. B Shadaksharappa, Principal, ensuring its impactful execution.

The success of this session reflects Sri Sairam College of Engineering's commitment to equipping students with global competencies, enhancing their career readiness, and encouraging cross-cultural learning experiences.
