Report on the Session: Insights, Inspiration & Opportunities in Japan

The Higher Education Cell, Corporate Academia Relationship (CAR) and Foreign Language Club of Sri Sairam College of Engineering, Bengaluru, jointly organized an interactive session titled "Meet the Experts, Discover the Journey: Insights, Inspiration & Opportunities in Japan" on 5th August 2026 from 2:00 PM to 3:00 PM at the Seminar Hall.

The program commenced with a warm welcome address by Prof. Malini K. V., Corporate Academia Relationship (CAR), who welcomed the distinguished guests, faculty members, and students. She emphasized the importance of international exposure, language learning, and global career opportunities for engineering students.

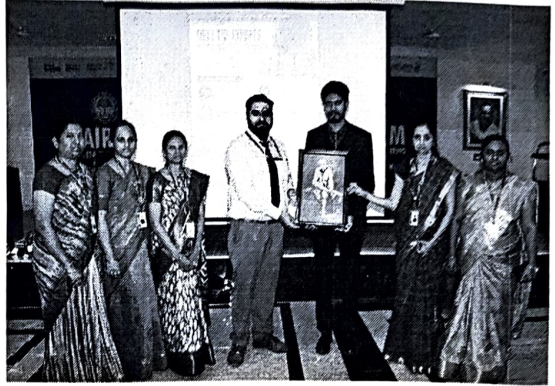

Following the welcome address, the resource persons were felicitated as a token of appreciation for accepting the invitation and sharing their valuable time and expertise with the students.

The technical session began with Mr. Bhagavan K. P., Founder & CEO of TSIAR Sports Pvt. Ltd. and Director, Karnataka E-Sports Federation, who addressed the students on the growing opportunities in Japan. He encouraged students to explore international career paths and highlighted the importance of developing global competencies.

The session continued with Mr. Shreyas Manathil, Co-Founder & COO of TSIAR Sports Pvt. Ltd., Co-Founder & CEO of NullQuarry, Esports Consultant at Infollion, and Director, Karnataka E-Sports Federation. He shared valuable insights on internship opportunities offered by TSIAR, startup culture, entrepreneurship, and emerging career prospects. His practical guidance inspired students to prepare themselves for global opportunities and industry demands.

The event concluded with an engaging Question and Answer session, during which students actively interacted with the speakers. The resource persons patiently addressed the students' queries regarding higher education, internships, career opportunities, Japanese language learning, and professional growth.

The session received an enthusiastic response from the participants and proved to be highly informative and inspiring. It provided students with valuable knowledge about opportunities in Japan and motivated them to pursue international careers and higher education. The organizers expressed their sincere gratitude to the speakers for their invaluable contribution and looked forward to future collaborations.
