Submitted,

**Sub: Report on International Youth Day 2026 celebration and topic on "Youth 4.0 – Empowering Young Minds for Smarter, Sustainable Future" - regarding.**

The Department of Artificial Intelligence and Machine Learning (AIML), in association with IEEE Robotics and Automation Society (IEEE RAS), organized a programme to celebrate International Youth Day 2026 on 12 August 2026 at 10:00 AM in the AV Hall. The programme was conducted with the theme "Different Contexts, Common Aspirations" and the focus "Youth 4.0 – Empowering Young Minds for Smarter, Sustainable Future. The day highlights the importance of youth participation in education, innovation, technology, social development and nation-building.

A total of 110 Final Year AIML and ISE students participated in the programme. Trustee Mr. Patel, Ms. Malini from the CAR Department, AIML faculty members, and staff members from other departments also attended the event. The programme commenced with anchoring by Ms. Priyanka D. K, Final Year AIML student. The Welcome Address was delivered by Ms. Tharani R, who welcomed the dignitaries, resource person, faculty members and students.

The Presidential Address was delivered by Dr. Sivaprakash C, Professor & Head, AIML. He explained the significance of International Youth Day and emphasized the important role of youth in shaping an innovative, responsible, and sustainable future. He encouraged students to utilize their knowledge and skills effectively and to actively contribute to society.

The introduction of the Resource Person is given by Ms. Divyashri. The resource person Smt. Kalaivani P delivered an informative speech on International Youth Day, briefly explaining its significance and highlighting the opportunities and responsibilities of

### Department of Artificial Intelligence and Machine Learning

young people in the present technological era. She encouraged students to develop their skills, think innovatively, and use technology for positive social impact.

As part of the celebration, an innovative idea-pitching activity titled "My Idea for 2030" was conducted. Twelve students participated and presented their innovative ideas and vision for the year 2030. The activity encouraged students to presented their creativity, confidence, communication skills, leadership qualities, and problem-solving abilities. Based on their presentations, three students were selected as prize winners.

The programme concluded with the vote of thanks delivered by Prof. Kalidass M, Coordinator. He expressed gratitude to the management, dignitaries, resource person, faculty members and students for their valuable support and participation in making the programme successful. Overall, the International Youth Day 2026 celebration was an informative and inspiring programme.

It created awareness among students about the importance of youth in nation-building and provided them with a platform to express their ideas and aspirations. The programme successfully motivated students to develop innovative thinking, embrace emerging technologies, and contribute towards building a smarter, inclusive, and sustainable future.

### Students Feedback:

How relevant was the theme "Different Contexts, Common Aspirations" to you?

- Highly Relevant
- Relevant
- Moderately Relevant
- Slightly Relevant
- Not Relevant

How would you rate the resource person's presentation skills?

- Excellent
- Good
- Fair
- Poor

How would you rate the interaction and engagement during the program?

- Excellent
- Good
- Fair
- Poor
