Submitted,

Sub: Report for webinar on the topic "Enterprise Data Science in Action: From Data Workflows to Custom Model Context Protocol (MCP) Servers."- Reg.,

The Department of Artificial Intelligence and Machine Learning, Sri Sairam College of Engineering, Bengaluru, organized a webinar on 29.07.2026 from 10:30 AM to 12:00 PM for the final-year students on the topic "Enterprise Data Science in Action: From Data Workflows to Custom Model Context Protocol (MCP) Servers." The session was delivered by Ms. Keerthi Udayakumar, Data Scientist, Red Hat India, Pune.

The program commenced with a **Welcome Address** by Ms. Divashri, AP/AI ML, followed by the **Presidential Address** by Dr. Sivaprakash C, HOD/AI ML, who encouraged the students to gain practical knowledge from the webinar. The session was then handed over to the resource person.

The resource person introduced students to **Agentic AI, Model Context Protocol (MCP)**, and the architecture of enterprise AI applications involving the **UI, Agent, and MCP Server**. A live demonstration showcased the development of AI applications using open-source templates and highlighted their real-world applications in enterprise automation.

The webinar concluded with an interactive question-and-answer session. Finally, Ms. Pramila R, AP/AI ML, delivered the **Vote of Thanks**, expressing gratitude to the Management, Principal, HOD, Resource Person, faculty members, and students for making the webinar a success.

Your's Sincerely
