Report on the Session: Insights, Inspiration & Opportunities in Japan

The CAR, Foreign Language Club, and Higher Education Cell of Sri Sairam College of Engineering, Anekal, Bengaluru, jointly organized an informative session titled "Meet the Experts, Discover the Journey – Insights, Inspiration & Opportunities in Japan" on 22nd September 2026 at the Seminar Hall. The programme aimed to provide students with valuable insights into Japanese language learning, career opportunities in Japan, and internship prospects through interaction with industry experts.

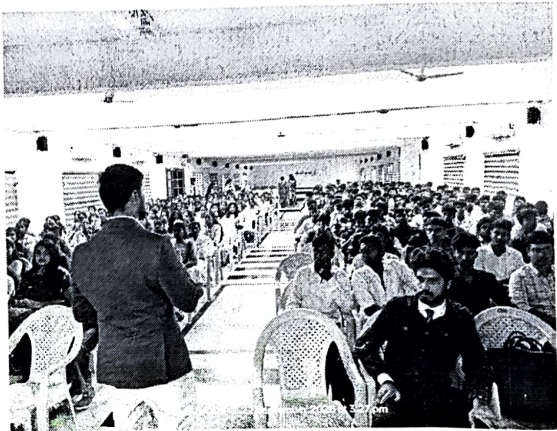

The session commenced with a welcome address by Prof. Malini K V, CAR, who warmly welcomed the invited guests and introduced them to the students. Following the introduction, the experts shared their knowledge and experiences on Japanese language learning, career opportunities in Japan, and avenues for professional growth. Mr. Shreyas Manathil also discussed TSIAR's internship opportunities, highlighting avenues for students to gain practical exposure and develop industry-relevant skills.

The programme was conducted in two sessions to accommodate students from different academic years. The first session was held from 2:00 PM to 3:00 PM for second-year students, followed by the second session from 3:00 PM to 4:00 PM for first-year students. Both sessions were highly informative and engaging, offering students a broader understanding of international career pathways and opportunities associated with Japan.

The programme witnessed enthusiastic participation from more than 700 students across both sessions. Many students expressed keen interest in the topics discussed and actively interacted with the experts, seeking further information and clarification regarding career opportunities, internships, and Japanese language learning.

The session successfully enhanced students' awareness of global career prospects and encouraged them to explore opportunities beyond conventional academic pathways. The interaction with industry professionals provided valuable exposure and motivation for students aspiring to pursue international education and career opportunities.

The programme concluded successfully, achieving its objective of creating awareness and inspiring students to explore Japanese language education, career opportunities, and internship possibilities in Japan.
